S.E.A. Medical Systems Opens Health-tech Headquarters in San Jose

SAN JOSE, Calif. – S.E.A. Medical Systems, Inc., a health-tech company focused on safety and management of IV medicine, today announced it will be celebrating its Grand Opening of its new facility located in North San Jose at 61 Daggett Dr. on July 11, 2012 starting at 12:00pm. This state-of-the-art facility will provide much-needed office and laboratory space to support SEA Medical's transition to a product development and commercial organization, and to house a rapidly-growing workforce.

The Grand Opening celebration will begin at 12:00 p.m. with a ribbon-cutting ceremony. Councilmember Kansen Chu (District 4) will make remarks and welcome this innovative business to the 10th largest city in the country. Gail Maderis, President and CEO of BayBio, Northern California's Life Science Association, and SEA Medical CEO Michael Weickert will also be on hand to cut the ribbon.

"I am delighted to welcome SEA Medical Systems to San Jose," said Councilmember Kansen Chu (District 4). "SEA Medical Systems has created a transformative technology that will give rise to truly innovative medical devices that will improve patient safety and avoid tragic outcomes."

"SEA Medical is pleased to have found a new home in the heart of Silicon Valley," added SEA Medical CEO Michael Weickert. "San Jose's community of high-tech and medical device companies is the ideal environment for our health-tech company to grow and prosper."

SEA Medical Open House, facility tours, and BBQ buffet take place after 5:00 p.m. Special guests Ridley Barron from the Ridley Barron Ministries, Chris Jerry from the Emily Jerry Foundation, and SEA Medical founders will give presentations from 6:30 p.m. to 8:30 p.m.
